The Event
The Citrus County Education Foundation (CCEF) will host the 12th Annual Citrus Kids Triathlon on Saturday, March 8, 2025. The event is a USAT sanctioned event, will be managed by DRC Sports and held in the beautiful Bicentennial Park in Crystal River, FL. Working together with the Citrus County School District to promote the event, CCEF plans to attract hundreds of children and families. The event features three divisions: Junior (Born 2015-2020), Senior (Born 2010-2014) and a Tri4Fun that is open to any age. Children ages 5-15 can participate in the Age Group divisions. If you just want to TRI a triathlon, then enter the non-competitive Tri4Fun division where adults and children can go together. Sponsors will enjoy marketing benefits before, during and after the event on multiple platforms - all while supporting a great cause.

The Cause
All proceeds benefit the Citrus County Education Foundation, the only 501(c)(3) nonprofit corporation whose sole mission is to support public education in Citrus County, FL. Founded in 1988, CCEF is dedicated to encouraging business and community involvement in the public school system, promoting creative and innovative educational programs, fostering excellence in learning, and recognizing outstanding achievements of students and staff. CCEF provides classroom grants for all grade levels; scholarships for aspiring teachers and high school seniors; classroom technology enhancements; recognition programs for students, teachers and staff; support for science fairs, math field days and student art festivals; *First Library*, CCEF's early literacy initiative supporting the needs of the county's preK and kindergarten classes; *Book Line & Thinker* field trips; and *Supplies for Success* free teacher store providing essential school supplies needed in the classroom; and investment in numerous other programs supporting our students and schools.
